I certify that the information provided in this Patient Assistance Program Application is complete and accurate to the best of my knowledge, that the Biocon Biologics product I have prescribed to the applicant within this application is based on my professional judgment of medical necessity for a Food and Drug Administration (FDA) approved indication, and that I will supervise the patient's medical treatment. I will notify Biocon Biologics PAP immediately if the Biocon Biologics product is no longer medically necessary for this patient's treatment. I certify that I have obtained from my patient all required written authorizations for the release of my patient's personal identification and insurance information to Biocon Biologics and their agents and representatives.

I understand that any information provided is for the sole use of Biocon Biologics and their agents, service providers, and representatives to verify my patient's insurance coverage status, to assess the patient's eligibility for participation in the Biocon Biologics Patient Assistance Program (collectively, "the Program"), and to otherwise administer the product and related services. I understand that application to the Program does not guarantee that assistance will be obtained.

I understand that Biocon Biologics may change or cancel this program at anytime. I understand that if my patient's financial and/or insurance status changes, the patient may no longer be eligible for the Program, and I agree to immediately notify a Biocon Biologics PAP representative if I become aware of changes in the patient's financial and/or insurance status. I agree that Biocon Biologics PAP may contact me for additional information relating to this application either by fax, e-mail and/or telephone.

I understand that I am under no obligation to prescribe any Biocon Biologics product and that I have not received, nor will I receive any benefit from Biocon Biologics or their agents or representatives for prescribing a Biocon Biologics product. I agree that I will not sell, submit claims to, or make any attempt to receive reimbursement from any party for any product provided by the Program. By signing this Patient Assistance Program Application, I authorize the release of medical and/or other patient information to agents and service providers of Biocon Biologics (including but not limited to Sonexus Health LLC and the dispensing non-commercial pharmacies) to use and disclose as necessary for verification of patient eligibility, and to furnish any information on this form to the insurer of the applicant for the purpose of verifying benefit eligibility.
